1 Role

The role of the Audit and Risk Committee is to assist the Board to meet its oversight responsibilities in relation to the Company’s corporate reporting and risk management framework.

1 Composition

The Board has not established a separate Audit and Risk Committee, but rather the full Board performs the role of the Audit and Risk Committee. References in this Audit and Risk Committee Charter to the “Audit and Risk Committee” are references to the full Board’s function as the Audit and Risk Committee.

3 Operations

When matters within the responsibility of the Audit and Risk Committee are considered, they are marked as separate agenda items at meetings of the Board. The Board deals with any conflicts of interest that may occur by ensuring that the director with a conflicting interest is not party to the relevant discussions.

The Audit and Risk Committee may seek provision of educational information on accounting policies and other financial topics relevant to the Company, to assist in fulfilling their duties. Further, the Audit and Risk Committee may seek explanations and additional information from the Company’s external auditors, without management present, when required.

When considered necessary or appropriate, the Audit and Risk Committee may conduct or authorise investigations and may retain independent legal, accounting or other advisors.

5 Reporting

The Chairperson of the Committee will report to the Board, at the following Board meeting, on the proceedings of each meeting of the Audit and Risk Committee, bringing forward all recommendations of the Committee which require Board approval.

6 Review

The Audit and Risk Committee Charter will be reviewed at least annually, and updated as required.
